MYCHAL'S LEARNING PLACE

Mychal's Café is a social enterprise supporting the participants of Mychal's Learning Place along their path toward living a more independent life. Here participants are able to gain critical vocational skills in the hospitality industry so that they can eventually gain employment within the community at large. Even more importantly, you are able to come in and see just how capable and able our community of young adults with developmental disabilities truly is.

We are incredibly grateful to all of the donors who have made Mychal's Café possible, especially:
